## David J. Simourd, Ph.D.: President

Algonquin Correctional Evaluation Services (ACES)  
ACES Inc.: Knowledge, Field Experience, Communication Skills

Dr. David Simourd received his Ph.D. in psychology from Carleton University in Ottawa Canada in 1992. He has a strong blend of experience as a researcher, clinician, and trainer. As a researcher, Dr. David Simourd has been actively involved in scientific studies on the assessment and treatment of offenders. He has developed and evaluated several relevant assessment instruments and treatment programs. He has published several research articles in peer reviewed journals and made numerous presentations at professional conferences on these topics.

Dr. Simourd has considerable clinical experience as a licensed Psychologist. He worked for nine years as a psychologist in a medium security correctional institution of the Correctional Service of Canada. For two years he was the Clinical Director of the Forensic Program of the Providence Continuing Care Center, a psychiatric hospital. At the present time he operates a private practice in psychology in which he is involved in the assessment and treatment of offenders. As a trainer, Dr. David Simourd has conducted numerous workshops on the assessment and treatment of offenders to various criminal justice agencies throughout North America, the Caribbean, and South Asia. He is qualified as an Expert Trainer in the Level of Service Inventory-Revised (LSI-R) by the test publisher.
